TiwaD « distille » depuis 2012 et son intégration à Ethereal Decibel Company des sets Psytrance organiques, percussifs, groovy et dancefloor tendant souvent vers la forest et la darkpsy.

Il rejoint le label psytrance "Believe Lab" en 2022 en tant que DJ.

En parallèle il propose également des sets de Bass music très influencés hip hop et se promène entre des rythmiques deep dubstep à gros wobbles, neuro bass et deep Drum & Bass.

TiwaD has been distilling organic, percussive, groovy and dancefloor psytrance sets since 2012 and his integration in Ethereal Decibel Company, often tending towards forest and darkpsy.

He joined the psytrance label "Believe Lab" in 2022 as a DJ.

At the same time, he also offers hip hop influenced bass music sets and moves between deep dubstep with big wobbles, neuro bass and deep drum & bass.
